Fire, shock closures and even a bit of coronavirus – it's been an unlucky few weeks for Wellington Rotary Club.

The club has had to cancel three events in its upcoming calendar due a a series of unfortunate and unconnected problems.

Its Duck quiz was then cancelled due to a fire in the kitchen, and organisers of the group's events have now learned that a planned visit by the Caerphilly Male Voice choir has been postponed due to the coronavirus scare.

The choir said it had seen its recent audience numbers affected, and that there was some concern within choir members, most of whom are quite elderly.

Vic Young, president of Wellington rotary, said: "We want to assure our supporters and those we support that we will be doing our utmost to continue our involvement in the community.
